## SHRI VARKARI AYURVED : AT A GLANCE

The primary goal of Shri Varkari Ayurved is to facilitate the learning and accessibility of Ayurveda across all social layers. For the past five years, Shri Varkari Ayurved has diligently pursued this objective. We've reached diverse patients from across the state through numerous health checkup camps and our four OPDs. To cultivate awareness of Ayurveda among the emerging Vaidya community, our trust has consistently organized a series of online and offline seminars. These sessions have garnered over 125,000 views, contributing significantly to spreading Ayurvedic knowledge. We extend a warm invitation to join us in the sacred city of Alandi to delve into the practices of Agnikarma and Viddhakarma chikitsa, allowing for an immersive learning experience.

## WORK DONE BY SHRI VARKARI AYURVED CHARITABLE TRUST

Online National Seminars on Agnikarma and Viddhakarma have been successfully conducted for the past two years, drawing participation from over 2000 vaidyas.

Twice a week, we facilitate comprehensive online lectures tailored specifically to enrich the practical understanding of BAMS students. These sessions delve into the core principles and hands-on applications of Ayurveda, aiming to equip budding practitioners with real-world insights and skills.

Every month, we organize Suvarna Prashan Camps dedicated to children under the age of 16. These camps offer invaluable health benefits, drawing enthusiastic participation from over 200 children on a regular basis.

We're committed to providing healthcare through our Free Health Checkup Camps, where individuals receive comprehensive checkups and also complimentary medicines. We focus on Agnikarma and Viddhakarma treatments designed to alleviate various kinds of pain.

**SUCCESS STORY OF AGNI VIDDHA NATIONAL CONFERENCE - 2024**

The Agni Viddha National Conference - 2024, held on the birth anniversary of the revered R.B. Gogate Sir, proved to be an inspiring and transformative event for over 300 doctors who attended this two-day conference. This gathering brought together the brightest minds in Ayurveda, focusing on imparting profound insights into the ancient therapeutic practices of Agni Karma and Viddha Karma.

A lineup of expert practitioners and distinguished speakers shared their extensive knowledge, with Dr. Chandrakumar Deshmukh as one of the event's most prominent speakers. Dr. Deshmukh, known for his in-depth understanding of Ayurvedic procedures, captivated the audience with his detailed lectures and practical insights, especially regarding the safe and effective application of Agni Karma techniques. His sessions not only enriched doctors theoretical knowledge but also provided them with hands-on guidance on essential skills, emphasizing patient safety and traditional Ayurvedic efficacy.

Throughout the two days, doctors actively engaged in lectures and discussions, exploring the foundational principles of Viddha Karma, a therapeutic approach for pain management and energy restoration, under the mentorship of seasoned Ayurvedic experts. The conference became a platform for aspiring Ayurvedic practitioners to gain unparalleled learning opportunities, foster deeper connections with mentors, and become part of a thriving community of like-minded peers. Agni Viddha National Conference - 2024 was a monumental success, empowering the next generation of Ayurveda practitioners with invaluable knowledge and practical skills. It honored the legacy of R.B. Gogate Sir by carrying forward his vision of nurturing excellence in Ayurveda and promoting the importance of holistic health practices.
